

Hon'ble CM inaugurated the Taladanda road virtually

The Odisha State Government's ambitious plan of transforming SCB Medical College and Hospital to be a world-class healthcare institution, Hon'ble CM Sri Naveen Patnaik on 10.10.2020 Saturday inaugurated a three-lane road on both sides of the Taladanda Canal.

These roads will be expanded further in future for easy and reliable movement of vehicles to bring patients from different parts of the State.

Cuttack has always been stated as a significant issue of narrow and congested roads, which puts problems for movement of vehicles, and therefore the Odisha Government has given top priority to resolve as part of the modernization programme of the city.

The government thanked the people of Cuttack for their utter sacrifice and cooperation in making the project successful.

Speaking to the occasion, Health and Family Welfare Minister Sri Naba Kishore Das said the new roads would play a crucial role in making healthcare available to people in a hassle-free manner.

Housing and Urban Development Minister Sri Pratap Jena and works Minister Sri Prafulla Kumar Mallik, Cuttack-Choudwar, MLA Sri Soubhik Biswal, 5T Secretary Sri VK Pandian, Principal Secretary of Water Resources Anu Garg and Collector, Cuttack Sri Bhabani Shankar Chayani also give away their regards to the team in successful possession of the project.
