

VIRAL RESEARCH AND DIAGNOSTIC LABORATORY INAUGURATED AT CUTTACK'S SCB

The Viral Research and Diagnostic Laboratory (VRDL) at SCB Medical College and Hospital here was inaugurated by local MP Bhartruhari Mahtab on 06.11.2020 (Friday).

“This laboratory will be especially useful for professors, doctors, and medical students doing research on viruses. This laboratory will help in determining different strains of a virus etc.,” said Mahtab.

This laboratory will be of great use for conducting research and study on viruses like SARS, MERS, Ebola, Covid-19, etc.,” said Dr. J K Panda, Head of the Department, VRDL. The lab set up at a cost of Rs 1 crore would help scientists research activities.

RDC, CD, Cuttack Sri Anil Kumar Samal, Collector Sri Bhabani Shankar Chayani, Commissioner of Cuttack Municipal Commission Smt. Ananya Das and Choudwar-Cuttack MLA Sri Soubhik Biswal were present.
